Godrej Industries' Chemicals Business acquires Business of Savannah Surfactants Limited

Mumbai, April 14, 2025: Godrej Industries' Chemicals Business today announced the completion of a Business transfer with Savannah Surfactants Limited, with the acquisition of their Food Additives Business. As a leading player in Oleochemicals, Surfactants, Specialities and Biotech sectors, this transaction will help the company expand its product offerings to the Food & Beverages Industry globally.

Vishal Sharma, Executive Director and Chief Executive Officer, Godrej Industries (Chemicals) said, "We are glad to have completed this transaction at the start of the fiscal year. This acquisition is in line with our vision and strategy to grow in a profitable and sustainable manner. The Savannah business will be part of our Speciality chemicals sector. The addition of this Food Additives Business will expand our speciality offerings and build a larger speciality business going forward."

Located at Goa, Savannah Surfactants Limited has a manufacturing capacity of 5,200 MTPA of finished products.

About Godrej Industries (Chemicals)

Godrej Industries (Chemicals) is one of the oldest businesses of the Godrej Group, established in 1963. We are focused on being a "Green chemistry" company, dedicated to helping the environment and ensuring a greener and more sustainable future. Today, we are one of India's leading providers of oleochemicals, surfactants, specialty chemicals, and biotech products, all produced largely with renewable feedstocks from vegetable oils.

We drive business through sustainability, customer centricity, and renewable resources-focused chemistries, with a global presence in more than 80 countries. With three manufacturing locations (Maharashtra & Gujarat) and a state-of-the-art R&D Center in India, we specialize in delivering tailored solutions to meet specific applications and performance requirements.

We operate in varied segments like home and personal care, oil and gas, agrochemicals, pharmaceuticals, rubber, chemical & polymer intermediaries, and lubricants & metalworking fluids etc. Our dedication to responsible practices has earned us prestigious awards and certifications, highlighting our global market impact and preference among suppliers and customers.
